Declaration: Protection of Personal Information

In the course of its existence BKM Neighbourhood Watch has required personal details of its members and contributors. The Protection of Personal Information Act, 4 of 2013, makes provision for BMK Neighbourhood Watch to legitimately handle such information for various purposes or to process information as a result of legislation. The law, however, does require that all members and contributors give specific consent to BKM Neighbourhood Watch to access, store and use this information in the performance of its operations.
